

## **Heroes Day & Service Project to Commemorate Memorial Day**

The TRES Student Council's final activity this year is a combined school spirit day and service project and we've come up with several ways to remember Memorial Day and celebrate those who serve our country.

On Wednesday, May 24<sup>th</sup>, students are encouraged to come to school dressed as their favorite hero. They may choose to recognize police officers, firefighters, and our military officers. We also will collect donations for the Wounded Warrior Project to help the men and women injured in service to our country.

Finally, we have special opportunity to create care packages for Mrs. Scholl's son and men and women under his command as they serve in an isolated part of the world. A list of items is below if you choose to help a member of our extended school community. Mrs. Scholl will mail any donations directly to her son to share with his troops.
